

# BPC100 BUSINESS PHONE CONNECT

Introducing the BPC100 by Inseego delivering clear HD Voice over VoLTE with multiple connectivity options such as Cat1 data over Ethernet, fax and alarm support. The BPC100 is an excellent replacement for SMB customers trying to cut the cord on local phone service.

## HD Voice Over VoLTE

BPC100 offers HD Voice over VoLTE allowing you to hear inbound and outbound calls in high-definition with clear, natural sounding audio.

## Flexible Connectivity Option

Equipped with multiple plug and play connectivity options to support your business. The BPC100 offers an ethernet port (RJ45) port with Cat 1 data speeds for light applications (like POS) when your main internet connection is lost. In addition, the BPC100 supports G3 fax machines (RJ11 port can be used for either phone or fax), and a dedicated RJ31 port specifically for your security/alarm systems.

## Keep Your Business Running

BPC100 offers battery backup support with 3 AA batteries included in case of in-building power outage.

## Ready for Any Job

The portable nature of the device allows customers to quickly deploy where it is needed most in kiosks, construction trailers and small offices.

## Best in Class Processor and Technology

Purpose-built to deliver seamless, reliable and secure phone connections with optimized antenna performance.

## Technology by Inseego: Always a Step Ahead

With advanced security, intelligent antenna features and more, Inseego always keeps you on the leading edge.

# BPC100 Product Specifications

## Technology

- LTE CAT 1
- Verizon Certified Bands  
B2, B4, B5, B13, B66

## Chipset

- Qualcomm 9207

## Module

- Quectel EC25-AF (CAT 1)

## Ports

- 1 Phone/Fax (RJ11)
- 1 Alarm System (RJ31)
- 1 Ethernet (RJ45)
- Antenna (Main & Diversity) – SMA (2)
- USB (Power Adapter)

## SIM

- 4FF

## Dimensions

- 118mm x 88mm x 3 mm

## Weight

- 272g

## Customer Interface

- Internet: Inseego WebUI for device management
- Device: Multi-color LED status indicator

## Standards /Approvals /Certifications

- FCC
