Manage Settings

To make device changes such as screen timeout and audio alerts, and to select mobile network options for your MiFi:

1. Open the MiFi Settings menu by tapping Menu > Settings from the home screen.
2. Scroll up or down and tap to select the desired menu option.
3. Scroll up or down and tap the desired setting to toggle or make a selection.

Accessing Advanced Settings

To access advanced settings and manage the MiFi, sign in to the MiFi Admin website:

1. Connect your WiFi capable device to the MiFi.
2. Open a web browser on your connected device and enter <http://my.mifi> or <http://192.168.1.1>
3. Sign in with the MiFi admin password.

Note: The default admin password is the same as the default WiFi password.

What else is in the box?

- Inseego MiFi 8000
- Preinstalled Nano SIM Card
- Battery
- Charger
- USB Cable
- Quick Start Guide

Universal Charging

The Universal Charging port allows you to charge external devices, such as smartphones and tablets, as long as the MiFi battery charge is greater than 25%.

To charge an external device using the MiFi:

1. Power on your MiFi.
2. Connect your device to a USB cable and plug the cable into the USB-C port.
3. On your Mi-Fi, select Charge connected device.
