

CALIFORNIA TRANSPARENCY IN SUPPLY CHAINS ACT OF 2010 (SB657)

Inseego Corp. is dedicated to conducting business consistent with the highest standards of business ethics. We have an obligation to our employees, our stockholders, our customers and suppliers, business partners and community to be honest, fair and forthright in all our business activities. Inseego is committed with aligning our operations and strategies with the [ten universally accepted principles of the UN Global Compact](#) in the areas of human rights, labor, environment and anti-corruption.

OUR BUSINESS

Inseego Corp. is a leader in the design and development of fixed and mobile wireless solutions (advanced 4G and 5G NR), IIoT and cloud solutions for Fortune 500 enterprises, service providers, small and medium-sized businesses, governments, and consumers around the globe. Our product portfolio consists of fixed and mobile device-to-cloud solutions that provide compelling, intelligent, reliable and secure end-to-end IoT services with deep business intelligence. Inseego's products and solutions, designed and developed in the U.S., power mission critical applications with a "zero unscheduled downtime" mandate, such as our 5G fixed wireless access ("FWA") gateway solutions, 4G and 5G mobile broadband, IIoT applications such as SD WAN failover management, asset tracking and fleet management services. Our solutions are powered by our key wireless innovations in mobile and FWA technologies, including a suite of products employing the 5G NR standards, and purpose-built SaaS cloud platforms.

OUR SUPPLY CHAIN

Inseego's hardware products are manufactured by third-party contract manufacturers. We strive, wherever possible, to utilize Tier 1 companies with strong environmental, social and governance (ESG) credentials, and our primary contract manufacturers and suppliers are members of the Responsible Business Alliance.

OUR DUE DILIGENCE PROCESSES

SUPPLY CHAIN VERIFICATION

Inseego engages in verification of its supply chain to evaluate and address the risks of human trafficking and slavery using internal resources. At this time verification is not conducted by a third party.

SUPPLIER ASSESSMENTS

Inseego may conduct onsite audits of supplier facilities which produce products for Inseego to evaluate supplier compliance with our company standards for trafficking and slavery in our supply chain. Onsite audits may include a review of relevant supplier records, policies and work practices as well as inspection of the facilities. At the present time we accomplish this verification using internal resources and during a scheduled audit.

SUPPLIERS' CERTIFICATION OF MATERIALS

Inseego Supplier Code of Conduct requires compliance with all applicable laws, including laws against slavery or human trafficking.

INTERNAL ACCOUNTABILITY

Inseego requires all team members and contractors to follow the standards and principles set forth in the Inseego [Code of Conduct and Ethics](#).

TRAINING

Inseego provides training on identifying and mitigating supply chain risks, including human trafficking and forced labor, to its managers and employees with direct responsibility for supply chain management.
