

USB800 4G LTE Global USB Modem

Easy to Use

The USB800 provides instant 4G LTE connectivity for your laptop or other device, with no software or device drivers to install. Just plug it in and connect. It's that simple.

Tiny and Mighty Design

Its tiny and mighty design comes with a swivel hinge to adjust to any USB port orientation.

Fast and Global

The fastest USB modem, with peak download speeds of 480 Mbps. Global connectivity covering LTE, HSPA+ and UMTS bands in over 200 countries.

Failover Protection

In addition to connecting mobile users, the USB800 can provide failover communications for point-of-sale systems, kiosks and other IoT devices. With integrated sGPS technology, it's also ideal for tracking mobile assets.

Ready for Any Workday

USB800 is ready and able to accommodate the demands of every workday. Perfect for businesses and public sectors limiting connection to cellular data only. FirstNet certified to support first responders protecting and serving our communities.

Safe and Secure

Connect with confidence knowing your data is secure. USB800 features the latest cellular security protocols supporting corporate VPNs and remote management.

Technology by Inseego: Always a Step Ahead

With advanced security, intelligent antenna features and more, Inseego always keeps you on the leading edge.

USB800 Product Specifications

Technology

- 4G LTE CAT 18, 480 Mbps LTE Max Throughput
B1/B2/B3/B4/B5/B7/B12/B13/B14/B17/B18/
B20/B28/B29/B30/B66
- HSPA+/UMTS
B1/B2/B4/B5/B8
- Carrier Aggregation
5 CC Download CA
- 2x2 MIMO

Chipset

- Qualcomm SDX20

GPS

- sGPS Capable

Connector

- USB 2.0 Type A with Swivel Hinge
- External Antenna Port

Dimensions

- 3.58 x 1.45 x 0.45 (91.1 x 37 x 11.4 mm)

Weight

- 2.4 oz (68 g)

Environmental

- Operating Temperature: -10°C to 55°C

LED Indicator

- Multi-color LED

SIM

- 4FF

Operating System

- Linux® Ubuntu 12.4 or Higher
- Microsoft® Windows® 7 or Higher
- Mac OS 10.5 or Higher

Security

- Security Hardened Web Interface
- Admin Password Hash
- Incorrect Password Lockout
- Parameter Tampering

Enterprise Features

- VPN Support
- Remote Configuration Support
- IT Administrator Settings Lockdown

Standards /Approvals /Certifications

- FCC
- ISEDC
- PTCRB
- GCF
